

Dealership Software Discovery

For: Chance — Zacho Sports Center · a few questions so we can show you exactly what we can run for you, what stays on your current systems, and what you'll save.

TWOMIAH

Fill in whatever you know — rough answers are fine. Hand the **Parts** section to your parts manager and the **Sales & F&I** section to your F&I person. The single most useful thing is the export in Section D.

A · Systems & Contracts

Chance / GM

Software	What it costs	Renewal / contract end date	# stores
Lightspeed (DMS)			
DP360 (CRM)			
Dealer Spike (website)			
Covideo (video)			
Kenect (texting)			
DealerTrack (F&I)			
Other:			

Total number of stores/rooftops: _____

Your #1 daily frustration with the current setup:

Does Dealer Spike manage your SEO / advertising, or do you just have the website?

Does DP360 write deals INTO Lightspeed, or just read from it? ☐ Writes in ☐ Read only ☐ Not sure

B · Parts

Parts Manager

OEM brands you stock parts for:

Which OEM websites/portals do you download price files from?

Can you attach one sample price file from each OEM? ☐ Yes, attached

Which aftermarket distributors do you buy from?

☐ Parts Unlimited/LeMans ☐ Tucker ☐ WPS ☐ Drag Specialties ☐ Other: _____

Do you have online / API accounts with those distributors?

In your parts system today, which do you rely on? (check all)

☐ Exploded diagrams / fiche ☐ Electronic OEM ordering ☐ Real-time OEM stock ☐ Supersession lookup ☐ Warranty parts claims

How often do OEM prices update? _____

C · Sales & F&I

F&I Manager

Which do you use? ☐ DealerTrack ☐ RouteOne ☐ Both Cost: _____

Which lenders do you submit to?

Walk us through a deal — where do you enter the customer first, and where do you re-enter the same info?

Does DealerTrack push the funded deal back into Lightspeed, or do you re-key it? ☐ Pushes back ☐ Re-key by hand

F&I products you sell (service contracts, GAP, tire/wheel, etc.):

D · The one attachment that matters most

A recent export from Lightspeed of your **customers, inventory (with cost), and parts (with on-hand quantity + cost)**. ☐
Attached.

This lets us load YOUR real data and show you your dealership running on our platform side-by-side with your Dealer Spike site — the fastest way to see exactly what works.
